June 2, 2025

June 2, 2025 - June 08, 2025

June 10, 2025

**Classroom name: Google Cloud
Fundamentals: Core Infrastructure**

Attendance is not mandatory but recommended. The session won't be recorded.

Complete the required labs (enabled once the session ends)

Complete 3 out of 4 labs.

Labs must be completed through this [link](#) only and during the opening week.

You must access the classroom with your corporate email account.

We will reach out to you via email to let you know your qualification status.

All communications will be sent from no-reply-getcertified@google.com. The account is not monitored.
If you have any questions, reach out to us via this [form](#) using your corporate email address

What's next?

- **Make sure to create your Google Cloud Skills Boost Account with your corporate email address.**

We added your **corporate email address** (the same you receive our communications) to the classroom and you **only be able to access by having an account created with that particular email.**

- **Complete the following (3 out of 4) labs :**

Google Cloud Fundamentals: Getting Started with Cloud Marketplace

Getting Started with VPC Networking and Google Compute Engine

Google Cloud Fundamentals: Getting Started with Cloud Storage and Cloud SQL

Hello Cloud Run [APPRUN]

- **Once the labs are completed you don't need to act any further**

We'll be in touch and let you know your status on **June 10, 2025.**

FAQ

→ I want to get in touch. How do I do that?

Only through this [form](#). Our Delivery team will address your question as soon as possible but take into account all queries are picked manually so it might take us +1 business day to respond.

→ I'm facing technical issues with the labs

Please contact the Google Cloud Skills Boost support team [here](#). You need to complete at least 3 out of 4 labs, so if you are stuck on a particular lab you can go ahead and finish a different one. **You can attempt a lab up until 3 times.** After that the support team won't be able to reset your quota.

→ I'm getting “access denied to this resource”/ Can't find “My Learning”

It means that:

- You have not created your Google Cloud Skills Boost account. Follow the steps we will send you shortly and create it with your **corporate email address**. Remember, we'll only add that email to the classroom.
- You are trying to access the lab with an alternative email address.

FAQ

→ **Labs are disabled, why?**

In order to provide a better experience we will enable the labs **after the session ends**, so you can focus on each topic your trainer will address during the session.

→ **How do I know if I qualified for stage 2?**

We will send you an email on **June 10, 2025**
